Please dress casually, jeans are encouraged, and bring a jacket for our Network Reception located outdoors. We will have **four** food stations so no need to make dinner plans. Come to network and socialize with colleagues and join in the many games offered.

*Network Reception Sponsored by RS&H
Billiards Tournament Sponsored by SSI*

8:30 pm - midnight – **Hospitality Suite – Euchre, Uno, and More!**

The Bear Trap

Euchre is an offshoot of Juckerspiel, a game that became widely popular throughout Europe during the Napoleonic era. In the 1800s, it became one of the most popular card games in America and Australia. Euchre, and its variation, is the reason why modern card decks were first packaged with jokers, a card originally designed to act as the right and left "bowers" (high trumps). Although later eclipsed by Bridge, Euchre is still well known in America, especially in the Midwest.
